

UPDATING YOUR CONTACT INFORMATION

The LOPFI Member Portal provides you with a quick view of your retirement account information and user-friendly access to make contact and personal information updates.

Whether you are active or retired, it is important that you keep your address, telephone number, and email address current. This will allow LOPFI staff to promptly contact you with essential communications. To make changes to your mailing address, select the *Personal Information* option listed in the menu on the left-hand side of the screen.

From this screen you will select the red *Edit Contact Information* button.
